

BEECHMONT LANDCARE

PUT THE BEECH BACK ON BEECHMONT

WHAT WE DO

Beechmont Landcare is a not for profit, community organisation working to improve the environment of the Beechmont district through education and projects, in partnership with the community, government agencies and private landholders. Since 1992, we have undertaken many projects to improve the environment of the plateau.

HOW DO WE DO IT?

Growing membership
Community capacity building
Raise awareness
Hands on projects
Supporting community heritage values both natural and cultural

SUCCESS STORIES

Akoonah/Timbarra Reserve
Denham Scenic Reserve
Weed management
Community planting days
Education
